THE PERFECT TRIS IS TRIPAD

The **Tripad** range of discs differs from normal discs for the new natural fiber support, the high concentration of diamond resin and the great strength and durability of the disc in the most extreme conditions. It comes in 3 colors, Red, Green and Blue.

RED TRIPAD the most aggressive, quickly removes scratches, acid stains and strong dirt.

GREEN TRIPAD gives tone and color on the surface leaving mechanical polish.

BLU TRIPAD gives a high gloss and can be used for routine maintenance of the floor.

FEATURES

- »» Available in all sizes.
- »» Simple method, less steps and better results for cleaning and polishing.
- »» Maximum brilliance and durability.
- »» Non-slip shine even on wet surfaces.
- »» Removes acid spots.
- »» It does not damage the surface.
- »» Use of water only.
- »» Easy to use also for the beginners.
- »» Eco Friendly, no chemicals.
- »» Ideal for daily maintenance with the lowest possible costs.

LIFE ON MARBLE AND MARBLE TERRAZZO FLOORS

High speed polishing with single disc: from 400 to 700 m² in normal use conditions.

Ordinary maintenance with floor scrubbers: depending on the abrasion or porosity of the floor from 1,000 to 50,000 m².

LIFE ON CONCRETE FLOORS

Depending on floor conditions the service life could be the half of marble and terrace floors.

PACKAGING AND MARKING

The discs are individually packed and marked with their size, color, supplier and product name on the back.

how to use TRIPAD

The **Tripad** system is very effective for different types of applications : to clean concrete floors, to strip wax from floors, to restore the shine on old marble, to deeply clean ceramic tiles, to restore pvc, linoleum and much more

Thanks to their features, **Tripad** discs are faster and more resistant than other discs on the market, making their purchase the most profitable and long lasting.

With **Tripad** discs your business will be increase , easily achieving extraordinary results, spending less in chemicals and will be more competitive in your sector.
